Manage Faculty Events

What is Manage Faculty Events?

**Faculty Events** is a module in OneUSG Connect for Academic Affairs and/or Human Resources to manage faculty-related processes such as:

- Faculty data records
- Rank and tenure status
- Effort and funding distribution
- Special titles
- Additional posts
- Post tenure review

Is there a self-service for faculty?

**Yes!** Faculty will be able to view and request updates to their faculty events data through Faculty Data Self-Service.

**Practitioners can:**

- Maintain rank and tenure history
- Determine tenure and promotion eligibility dates
- Establish prior experience credit for promotion and tenure
- Record extensions and stops to tenure clocks
- Assign service towards promotion and tenure
- Record vote counts for promotion and tenure
