

OneUSG Connect - Faculty Data Self-Service

What is Faculty Data Self-Service?

Faculty will be able to view their faculty events data through Faculty Data Self-Service (FDSS).

Faculty can:

- View rank and tenure history
- Determine tenure and promotion eligibility dates
- View prior experience credit for promotion and tenure
- View extensions and stops to tenure clocks

Examples of Faculty Events

- Faculty data records
- Rank and tenure status
- Effort and funding distribution
- Special titles
- Additional posts
- Post tenure review
