

OneUSG Connect - Manage Faculty Events

What is Manage Faculty Events?

Faculty Events is a module in OneUSG Connect for Academic Affairs and/or Human Resources to manage faculty-related processes such as:

- Faculty data records
- Rank and tenure status
- Assigned effort distribution
- Special titles
- Additional posts
- Post tenure review

Is there a self-service for faculty?

Yes! Faculty will be able to view their faculty events data through Faculty Data Self-Service.

Practitioners (Faculty Affairs) can:

- Maintain rank and tenure history
- Determine tenure and promotion eligibility dates
- Establish prior experience credit for promotion and tenure
- Assign service towards promotion and tenure
- Record extensions and stops to tenure clocks

Examples of Faculty Events

- New Hires
- Academic Promotions
- Administrative Appointments
- Retirement/Retiree Rehire
- Award of Special Title, such as endowed Chairship or Regents Professor/Researcher
